

PHOENIX PORTRAIT

TRENT NELSON/SUN

A portrait painted by Orinda artist Mehrdad Samimi to restore one lost in the Oakland Hills fire was unveiled at the new home of Judy and Sterrett Woods Saturday. The picture is of Judy's mother painted in 1906. Samimi re-created the portrait using old photographs and a daughter's memories. Now the picture of her mother in a lilac voile dress holding a parasol hangs over the mantel of their new home.
