

THE PICAYUNE 2A1 THURSDAY, JANUARY 7, 1993

Mayoral portrait

Former Mayor Moon Landrieu, right, stands with artist Mehdad Samimi, who executed the three-quarter-length oil portrait of Landrieu that soon will go on loan to the city for exhibition at Gallier Hall. More than 100 people attended the initial

viewing, held at the home of Herbert and Ann Christenberry. Samimi also recently completed a portrait of California Gov. Pete Wilson, which hangs in the California State House.
